

About Me

First-year engineering student at INPT specializing in Cybersecurity, with a strong foundation in science acquired through preparatory classes in PSI. Passionate about cybersecurity, cryptography, and information systems protection, I am eager to deepen my technical skills and gain my first professional experience in the field.. I am actively seeking an internship in my field cybersecurity or network administration, or system administration within a corporate IT environment.

Skills

- Adaptability
- Problem-Solving
- Time Management
- Presentation Skills
- Networking
- Team Collaboration
- curiosity and innovation

Languages

- English: advanced
- French: fluent
- Arabic: native

HAFSA ROUIJEL

engineering student

Education

2024 - Present

National Institute of Posts and
Telecommunications(INPT), Rabat
1st Year Engineering Cycle – Cybersecurity Major

2022-2023/2023-2024

PSI Preparatory Classes (Physics -
Engineering Sciences)
Lycée Omar Ibn Alkhattab , Meknes

2021-2022

PHYSICS BACCALAUREATE – HIGH HONORS
LYCEE ABDERRAHMAN BNO ZIDANE, MEKNES

TECHNICAL SKILLS

- **CYBERSECURITY:** CRYPTOGRAPHY, NETWORK SECURITY, INFORMATION SYSTEMS PROTECTION
- **PROGRAMMING:** PYTHON, C, JAVA, BASH
- **NETWORKING:** TCP/IP, FIREWALL, VPN, SECURITY PROTOCOLS
- **SYSTEMS:** LINUX, WINDOWS
- **TOOLS & TECHNOLOGIES:** WIRESHARK, METASPLOIT, KALI LINUX, DOCKER
- **DATABASE MANAGEMENT:** SQL, MYSQL
- **OFFICE TOOLS :** POWERPOINT, WORD, EXCEL

INTERESTS

- CTF and cybersecurity challenges
- Reading about cyber threats and ethical hacking
- Blockchain INPT Club Leadership –coordinating initiatives with Hedera
- Sport , travelling
